To whom it may concern:

I have known Lonnie Stevens and Cindy Stevens for many years. I have used Music City Security and investigations, Inc. for traffic control, armed security guards, off duty police officers and for private investigations.

They have always performed in an outstanding manner at a reasonable cost. I have dealt with a number of their employees over many years, and each has been professional in every way.

I urge anyone who is seeking security or private investigation services to consider Music City. If you have any other questions you may contact me at (615) 310-2036.

Very truly yours,
